C

I

FIRST AID: If inhaled, remove to fresh air. If not breathing give artificial respiration. If breathing is difficult, give oxygen. Call a physician.

In case of eye contact, flush eyes with water for 15 minutes.
In case of fire, use water spray, foam, dry chemicals or carbon dioxide.

Batch#: Do Not Use After:

DIRECTION FOR USE:

For postharvest application on clean apples. Apply at a rate of one gallon of the coating to 10,000 pounds of apples. For best results wash and clean the apples with an appropriate Decco apple cleaner before applying Premium Apple Lustr[®] FD, Also for use in Decco Process by or under the supervision of the manufacturer's personnel.

CAUTION: Condensation may form on apples following their removal from cold storage or for other reasons related to the manner in which they are stored, handled, processed, or packed. Subsequent evaporation of the moisture may cause white spotting of the fruit coating. Because condensation with resultant white spotting can be caused by many variable conditions, all of which are beyond the control of Decco, Cerexagri Inc., the manufacturer does not assume any responsibility for white spotting following use of this coating.

Contains food grade ingredients listed in 21 CFR

In case of spill or leak, absorb liquid in vermiculite, sand or any other suitable material. Dispose of according to local regulations.
