
PRODUCT DATA SHEET

Sooty Mold Kleen® 278 Citrus Cleaner

DESCRIPTION

Sooty Mold Kleen® 278 is a cleaner designed for removing superficial sooty mold from citrus fruit. This product has excellent properties for cleaning fruit covered with the black, difficult to remove, sooty mold; it also functions well in the ordinary cleaning of citrus needed prior to waxing.

DIRECTIONS FOR USE

Sooty Mold Kleen® 278 can be used as a foamer, as a spray, or in a dip tank treatment. Dilute one gallon of Sooty Mold Kleen® 278 with 14 gallons of soft water. Apply to fruit. Follow with a fresh water rinse. If used in dip tanks, add antifoam, if necessary.

COMPOSITION

Sooty Mold Kleen® 278 contains water, selected detergents, emulsifiers, and organic solvents approved for cleaning fresh fruits and vegetables. It is marketed in 55-gallon drums or in 5-gallon plastic pails.

PRECAUTIONS

May cause eye and skin irritation. In case of contact, flush for 15 minutes with water. Store in a cool place. Once opened, use the entire contents of the container within 60 days.

PHYSICAL PROPERTIES

Appearance:	Translucent pink solution
pH range:	12.5 ± 0.5
Specific gravity:	0.99 g/cc
Pounds/gallon:	8.26
Flash point:	Above 200°F

SHIPPING CLASSIFICATION

Freight classification: compound, cleaning, N.O.I.
