## PRODUCT DATA SHEET

### Decco Lustr<sup>®</sup> 295 Fruit Coating

#### DESCRIPTION

Decco Lustr<sup>®</sup> 295 is a high gloss coating intended for post harvest application to raw fruits and vegetables. Application of this wax enhances appearance and reduces weight loss due to evaporation. Decco Lustr<sup>®</sup> 295 is available in 5 gallon pails or in 55 gallon drums.

#### DIRECTIONS FOR USE

For use in Decco waxers, by or under the supervision of Decco personnel. When using other equipment, consult your local Decco representative for application guidance. Five gallons of Decco Lustr<sup>®</sup> 295 is used with 55 gallons of Peach, Nectarine and Plum Lustr<sup>®</sup> 251. On raw fruits and vegetables in an amount not to exceed good manufacturing practices for an intended purpose of protective coating.

Once opened, use the entire contents within 120 days.

#### COMPOSITION

Contains food grade Mineral Hydrocarbons approved by the Food and Drug Administration.

#### PRECAUTIONS

This product is non-toxic and non-hazardous. For agricultural use only. Do not use or store near open flame. Keep out of the reach of children.

#### STORAGE AND DISPOSAL

Store in a cool, dry place away from heat or open flame. Properly rinse container prior to re-use.
